Mentor

CA Nitin Mittal is a Chartered Accountant by profession and also a law graduate by education. He has been running his thriving Chartered Accountancy firm with a sizeable team for over two decades. He too has a keen interest in participating in activities that benefit people beyond himself and contribute towards the wellbeing of society. He is also an active Mason who leads a number of social activities. He works in the role of Mentor of the foundation.

He has been instrumental in identifying the needs of the Foundation and ensuring its completion. He is extensively involved in fundraising activities and manages social media for the trust along with all accounting and legal needs. His contribution towards running the projects of the Foundation cannot be overemphasized.

Nitin made exemplary selfless efforts in serving society during the COVID-19 pandemic when everything was under lockdown. He took commendable initiatives by getting cloth masks stitched and distributed, undertook sanitizer distribution, employment generation efforts, public awareness campaigns, and many other similar activities.
